

Bill Cupit

July 9, 1939 ~ April 25, 2023

I am so sorry for your loss. I know he will be greatly missed! Back in the day I remember going to lunch with Bill and my dad(Marv Peguillan)to random restaurants. They were always together! I always wondered if they ever worked! Lol My dad loved having a good friend to hang out with. I know he will miss him!

I worked with Bill for many years in television journalism. He was a multi-talented colleague who could excel in anything he wanted to do. He was a smart and intuitive journalist, a great friend, and one I will miss greatly. While some overlooked two of his attributes, I didn't! His outgoing personality and sense of humor were genuine and very much a part of his persona. God speed Bill.

Kind, caring and insightful. His smile was contagious as well. I pray happy memories will bring his family comfort and joy.

I have such fond memories of working with Bill at Channel 4 more than 50 years ago. He became a trusted colleague, wonderful mentor and a dear friend. Such a pleasant disposition. I send my condolences, along with my firm witness that this is not an end, but the exciting continuation of his eternal journey.

Uncle Bill, you will forever be in my early childhood memories. I remember looking forward to going to the house on “T” Street and playing in the backyard. I remember getting your old three speed bicycle as a young kid. I remember you always playing your harmonica at Christmas; jazz - Stan Kenton, Dave Brubeck; it was you who got me first

interested in Peter, Paul, and Mary; watching old Stan and Olive movies; and of course the famous Billy burgers. It was wonderful to talk with you just a couple of months ago. Uncle Bill, you always was a happy man, both loving and caring. May your memory be eternal, Rest in peace! Love, Chuck

Bill will be missed dearly. He could lighten the mood and talk to anyone. He had a zest for life and for the things that are most important, family, the gospel, Jesus Christ and his neighbor. Sending our prayers and thoughts to Sharon and your family.

I don’t remember a time when Bill didn’t have a smile on his face. Even if he was sharing a memory of a challenging experience, he always closed his message with a smile and a can-do approach. He was a pioneer in the mission field and a dear friend to those who knew him. Our thoughts and prayers go out to Sharon & family. With Love, Ryan & Dana
