Barbie and family we are so sorry to hear of your mother's passing. She sounds like she was one amazing women. You are in our hearts and prayers and we pray that you will have peace knowing that she will always be with you. Love, Casey and Becky

Love you, stepmom Kathryn. I loved coming to your home. You always treated us with kindness. I loved your smart bird who would come to my sister and I, with a simple wave of our finger. Thank you for helping me with genealogy questions. I will forever remember you a smart, strong, independent woman who endure much but continued to push forward. Michelle “Shelly Daniels” Hunsaker
