Bill was such a good friend. We served together in the Draper Temple Baptistry. One of his favorite comments to the youth after they were confirmed was, "Do you remember those names? Well, they will remember you." We will miss his gentleman touch and sense of humor. Our deepest condolences to his family.

I got to know Bill, Betty, & the family while cleaning their home starting around 2010. Such a sweet experience! I always appreciated Bill's kindness & warmth towards me & my family. The love he had for his family was obvious & I will miss sharing in all of that.

A little over 30 years ago, Uncle Bill and Aunt Betty came through our wedding line in Grandma and Grandpa Dareld Allen's backyard. Uncle Bill spoke very briefly, and said how he was very excited for us to get to know each other and grow together. I thought what a beautiful thing to say and I figured he and Betty must have had a marriage like he was describing. I've seen him several times over the past 30+ years. He was a well meaning and kindly gentleman who cared so deeply for his wife and I believe extended her life by his love for her. Loosing Uncle Bill in death is a great loss indeed, but what a great example of love, kindness and compassion he continues to be. With sorrow to the Ward family and their loved ones. - Blair Collins
