Kathy was a wonderful lady, and a treasured friend. A positive and joyful person. May God bless her sweet soul, and provide courage and peace to her family and her many friends. Rest in peace, my dear friend.

In our first class Kathy and I recalled how songs and music enriched our lives. Kathy’s enthusiasm, knowledge of artists and sharing life with Peter encouraged me to learn and share! Peace, Kathy. An “Arts & Aging “ friend, Terrie Hanrahan

Kathy was a true artist! I had the pleasure of working with her as part of the UMFA Creative Aging workshop program. Kathy was so celebratory and joyful with her creativity. I will miss her. Sending my deepest sympathy and live to Kathy's family. Laura Wilson
