

Kay Rasmus Johnson

December 9, 1933 ~ April 8, 2025

I most certainly thought Mr Johnson as a warm, wonderful man. He was always smiling and had a great laugh! I pray for comfort for the Johnson family.

Dear Aunt Michelle, I send my love to you at this time . I tried to watch the graveside but never could get it connected right so I missed it. I always appreciated Kay's keeping us up to date on happenings with the Johnson family. I remember when you and Uncle Kay were married . I was about ten or eleven and thought you were such a beautiful bride. We loved you and Kay, and were always happy to get to see you, even though distance didn't let that happen real often. We love you, Betty and Stewart
