Ann and Family, I am so sorry to hear of Bill's passing. His love for life was infectious. He made me laugh every time I was around him. Robert had a special place in his heart for his Uncle Bill. I send my love to all of you!!! So glad you are family!!! Lorie

Dear Ann, I am so sorry to hear about the loss of Billy. I knew him and you only in brief moments over the years but always treasured the visits we would have. I always loved getting to talk with you and Billy about old cars and share pictures. I remember talking about his love of Kenny Rogers as well. It was such a pleasure getting to know you both and see the love that you two shared. May he rest peacefully. Just wanted to share my love to one of my favorites. Love, Darcee (Mohs Tech/Assistant)

Ann and Billy, Where do I even start. My thoughts and prayers are with you. I can't think of my childhood and not think of my "Uncle" Bill. The swim meet road trips the Friday night soap opera binge a thons I could go on and on. It hurts my heart to know this sweet man is gone. I am so sorry for your loss. Words can't express my sympathy. He always showed me unconditional love he was a very special person in my life.
