Dear Roxanne, I am sending my love and sympathy to you and the family at this sad time. As you are aware, I spent many hours in my childhood at your home, I have so many fabulous memories. Unfortunately, I am unable t attend the viewing or service as Gary and I are leaving for Missouri on that very day, my son Jeff is getting married again, plus, I haven't seen my granddaughter who lives there in two years, I am very excited. That being said I am sorry that I am unable to come, I will definitely make a contribution and make a point of visiting her grave. Love you, Mean It Wesley
