Good men are made every day with good intentions and wise decisions. This man loved his wife his family and loved the Lord with all his heart . Missed but spoken with reference and true love .

What a great man. Loving and sweet, we always enjoyed visiting he and Nadine. I'm sure he is thrilled to be with her again.

We are so sorry to hear of Blaine's passing. Our family loves your family. Sheryl and I especially remember "Supper Club" nights at our house hearing a lot of laughter and jokes. We send our love; especially from our father, Vern. Mom and Dad love your family. Dawn was especially close to Nadine and they sometimes spend hours on the phone talking. We love you, Anderson family. From Vern (and Dawn), Lisa, Sheryl, and Shana.

I really enjoyed serving in the Draper Temple on Wednesday with brother Anderson. His humility showed brightly each week as he diligently served the many patrons who came to the temple. I have missed seeing Blaine each week

Blaine was one of the best people I know. I enjoyed every minute I got to spend with him. His laugh was so genuine. Sending love to his family and friends. He will be sorely missed ❤️■
