By far one of the best men I've ever met. From pedaling, FACn' off, & creative discussions to fun text messages about rad old bikes. I'm so thankful to have known Keith and strive to emulate his demeanor. Thank you Brother for being a beacon in this world. Much Love, Puddy.

After my family moved to Victoria in 1991, I started the daily walk home from school with a group that included Keith. Keith was inclusive, a kind instigator and a gentle leader, positive, encouraging and always up to do almost anything. Many memorable creatively mischievous times and adventures were shared, but also a constructive influence in finding a positive direction to grow up. Really beyond grateful that I got to navigate this time and grow up alongside Keith.

Our family met with Keith and his family when they visited Nova Scotia a few years ago. We immediately felt a strong connection with each other and hoped to get together again at some future time. It was very clear to us that Keith was a very special person and we realize how much he will be missed by his family and friends.

I am sad to hear of your passing old friend, too soon. My memories of us playing together in pre-school, patrolling the backline together for CB youth soccer or chatting at middle school will always be fresh in my mind. Despite it being many years since our paths diverged as we lived our lives as we saw fit, you were always considered a friend. My heartfelt condolences to your family and Freinds.

Thinking of all the great memories together, some so long ago it’s hard to remember . Doing the west coast trail with Keith was definitely a high light of my life. In grade 9 I didn’t have a lot of friends and would often sit alone at lunchtime. Keith would often come find me and take me home to his place for lunch. A small thing but meant so much to me. Thanks so much Keith you where always such a great friend! You will be greatly missed!!

Dearest Family, I hold you in my heart for the loss of such a Beloved Husband, Father, Son, Friend, Brother, Brother-Inlaw and all of what an amazing man Keith was as he walked his Earth Path. What an amazing example of a person who cared for all and lived a life with purpose and passion. Though I did not know him personally, I am inspired by the memories and words that have been shared. May you all be full of the emotions that carry your through with loving memory. Many Blessings, Kelley Ingols

“ A beautiful soul is a rare thing and it's about having a kind and loving heart, having such a positive vibe that people around them feel at peace whenever these beautiful souls are around. They help everyone around them to achieve their best.” In my experience, Keith McKeown was one of these rare and beautiful souls. I hope his beloved family find peace and comfort through amazing memories they made together and knowing that he brought a sense of security and acceptance to people around him. I got to know him more when I had the pleasure of teaching Lydia, one of my most caring and loving students. He always greeted me with smile and respect. His loss is a heavy pain even for those who knew him and his beautiful family for a short amount of time. May he rests in peace and his beloved family be blessed and protected by the grace of God. ■■

Heather, Drake and Lydia Our deepest condolences. We cannot imagine how devastated you must be. The time we had together in Nova Scotia was so incredibly special and I am ever so grateful for having that time meeting and getting to know you. It was evident how special Keith was and I am so sad that our journey in finally cultivating our family relation has been cut short. Please know that we will be thinking of all of you and our hearts are filled with love for all of you. Please let’s continue to grow our family relations in honour of Keith.

Heather, Florence and Bruce. Our hearts broke upon hearing the news that Keith had passed too early and without warning. We have known Keith and family since he was born. As a child we saw him everyday as a neighbour and my sons best friend. Keith loved the outdoors, one of my fondest memories of Keith was taking Patrick and Keith on a 5 day hike of 60 miles along the Westcoast Trail. The SALTS trip where Keith and Patrick met Heather and Misty was the beginning of a long and beautiful friendship for all four. Keith will always be in our shared memories. He lived a full and beautiful life.. Phil Warren

I am so sorry to hear about your loss. Lynn has been a friend for years, and I would often hear about updates on Keith and his family. The tribute is beautiful to capture Keith’s curiosity for life. My heart goes out to Lynn and parents, as well as Heather and children.
