

Kelli Tobin Reeves

July 19, 1959 ~ February 23, 2025

I am sad to learn of Kelli's death. She was such a good artist and all around great person. I will miss hugs from her at our sketching dates. She taught me a lot about color and composition, and to accept and own my mistakes.

I am so sorry for your loss Chris. I have many fond memories of working with your mom at Oakdale. I will not forget the times we laughed together. I am sorry I will be out of town on the date of her celebration. I hope your memories of her will bring you peace. Love, Carol

I used to share my playpen with Christopher and have recently been honored with seeing Kelli every month for book club. I'm shocked and saddened to hear of her sudden passing. She was such an incredible force of a woman. My love goes to her family and friends.
