

Blair Wendell Sorenson

Nov. 26, 1933 ~ Aug. 27, 2021

I'm so glad I was able to meet Blair and feel of his kind and generous spirit. I wish I could have been blessed in knowing him better. My heart goes out to all of you at this time as I know how the loss of someone so special is so greatly missed. My thoughts and prayers are with you , that you will receive the comfort and peace that is needed to carry on in the days that follow. Lots of love and hugs today and always, Phyllis
