I am so heartbroken and sad about the news of Blake. Although I know little of you, Blake, my daughter Michelle hung out with you guys when she was little. I know all of your brothers and sisters and I am so sorry to hear that Blake has left. We can only remember the memories he left behind. He was such a little brother to Michelle as she talks very fondly of him. My utmost warm wishes for you, Sally and Carma and all the children for your loss.

Al and Karma, although our time getting to know Blake was recent, we were able to see the good heart he had. Many times he expressed his deep love for you both and knew how much you were helping him through difficult times. Bruce will always remember some teary eyed chats sitting on the front porch and him expressing a knowledge of Jesus Christ. In a short time, he made us better people. We do miss him and do love you both.

We are so sorry and saddened to hear of Blake's passing. CB and I have talked about Blake and my daughter for years as both struggled with addiction and associated mental illness. So sorry that Blake lost this battle. We lost our daughter to the effects of drugs in May of 2023. We pray for peace and comfort from a loving and knowing Heavenly Father and atonement that has no boundaries. Peace, comfort, healing, and love.

I am so sorry to hear of Jake's passing. You were wonderful parents to Jake. I have sweet memories of interactions with your Jake. He was a young teenager when I was toting toddlers to Ms. Karmas amazing preschool and would interact so fun with our family. Love the Fernelius family and praying for comfort for your family.
