Dan and Karina, we were absolutely heartbroken to hear about Blake's passing. Our hearts and love go out to you and your family at this time. Our boys were good friends when they were young and you lived in Salt Lake. We have very fond memories of you and your whole family. We were able to watch the funeral service today. It was so wonderful to hear all of the great stories about Blake and what a kind, selfless, and thoughtful man he had grown up to be, it's obvious he was and is very loved. His life and all those who loved him and were touched by his friendship is a true tribute to you as parents and the wonderful man you raised in this world. Sending our love, Shelley, Daren and family
