To the Christensen Family, We are very sorry for your loss! Our prayers and thoughts are with you guys. Our daughter Megan is a very close friend to Kenni’s daughter Bryn and throughout the years she has gotten to do so much fun activities with the family. Kenni has treated her with love and kindness. We were shocked and saddened to hear the news of Kenni's passing. We have lived next door to Fae for many decades and although we don't know everyone's name we have always enjoyed and admired the family. You are in our thoughts and we are here to help if there is anything you need. Wishing you comfort from your strong family. The Fishers (Thomas and Susan).

You'll be missed. My sincere condolences to your family.

Dear Dave and Kids, Steve and I send our love to you over the passing of Kenni. What a special lady and friend she is. We sure made some wonderful friendships in Rose Canyon. Over Christmas when I would hear Silent NIght, I would think of Kenni and Pam singing and Nate accompanying them on the guitar. Good memory. Take care. Love, Steve and Sydney Furr

I loved the times we sang together. Once you drove to Summit Park so we could sing a duet together. I loved singing in the South Jordan Christmas concerts. There was such a calm, peaceful feeling to your voice. When you and Dave sang together, it was magic. Karaoke at family events always left everybody laughing. The day I married my Dave, you and your Dave sang on my deck as I walked down the stairs. I have shared so many special moments with you. My heart and mind are filled with memories. Thanks for making your Dave smile, laugh, and see

the world in a different way. You are eternal companions in every sense. I will hold the memories close to my heart and remember the joy you could bring to any room. Rest safe and easy and you watch over all of us, until it's our turn to take that step into Forever. Love, Pam

You may remember me...my ex-husband (Diamond Jim Davis) & I met you & Kenni at Karaoke Cafe in Murray years ago (2009?). We loved seeing you guys there & getting to know you. We had so much fun with you singing away! I loved seeing you both again years later and also your backyard pond, etc. my oldest lives in Riverton and I pass by that neighborhood every time I go down 126th South toward Mtn View Corridor. I always think of you guys when I do. I was just going to send Kenni a msg on FB to say hello when I saw some of the posts on her page that seemed like she had passed and sure enough... Dave-I'm so sorry to you and your loved ones for you losing her. That must have been so difficult to go through. So it's been some years now? I hope things are going well for you now and I'm so grateful we have the Gospel of Jesus Christ to help us during rough times like the ones you've been through. May God Bless You & Your Family. (And may Kenni be holding your microphone while she waits for you to join her singing on stage. ■). Take care!
