My condolences to Bobbie Doidge family. I am a friend and a sister in peo chapter a with Bobbie. She was such a wonderful person and a beautiful lady inside and out. She was such a supporter of women's education. Bobbie was a mentor to me in peo. Bobbie was so knowledgeable and loving to everyone she knew. Bobbie will be dearly missed . But her legacy will go on through all the organization she was associated with during her life. God bless your family at this difficult time . In Jesus love Kit

I was sorry to learn of Bobbie's death. I know that she was ready, as the last time I spoke with her, she told me that she had lived too long. I feel fortunate to have known her and to have served on the Utah P.E.O. state board with her. She was a special woman and set a good example of sisterhood and leadership.
