

Bonita Louise Ridgeway Robertson

April 3, 1935 ~ September 10, 2022

My sincere condolences to each of you as you navigate the loss of your beautiful Mother. Every occasion I spent with her was joyful and uplifting! We laughed and cried and I always was touched by her love and testimony of the Savior. She met her challenges with strength and her faith was unwavering. She was truly an example. I was humbled by the experience to be with you as she got her angel wings and joined her loved ones on the other side. She is finally at peace in the arms of our Savior whom she knew well. May her love and peace remain forever in our hearts. Love and prayers, Jackie'
