I've known Kim like it seems ever. She was a little sister's friend growing up. I had the joy of torturing both of them kim cut my hair for many years until she moved to Idaho. Sheila and I had the pleasure of running into her at our local Pharmacy in West Jordan not to long ago.We went to lunch and laughed ourselves silly. There is going to be a big hole in this life without her. My love goes out to all her kids and to Mike. God bless you all through this tough time and know I am praying for all of you.

We are so sad to hear that Kim is gone way too young. We have many wonderful memories of Kim and JR ( and Jenny) when our kids were great friends at the school for the deaf. Carpools, field trips, Primary, birthday parties, school activities. ❤■❤■

I hardly know where to start I could talk forever about my memories of Kim. She was my dearest friend from Elementary school on.I spent a lot of time at her house after school,sleepovers,parties all so much fun with Kim. I never remember her in a bad mood she loved to take care of her family and friends, never complaining. I remember Kristy and I watching Kim,Barbara and Sherry practicing a musical number for a family reunion to the tune of Boogie Woogiee Bugle Boy of company B. It was hysterical watching them but ended up being really good! Kim had a good voice we would sit for hours in the front room listening to Barbara Streisand Albums and Bee Gees and many more. Kim was everybody’s favorite and she made everyone feel like you were her favorite.She came to visit me a few times seemed like we had never been apart, she was so easy to talk to so compassionate! I know she has many many more relatives and friends on the other side of the veil as ‘this side.Kim was a lovely Spirit who carried her love for our Savoir Jesus Christ throughout her life I will miss you Dear Kim until we meet on the other side!
