Michelle Madlen Morrison

June 10, 1978 ~ December 12, 2013

Michelle Madlen Morrison, our beautiful young daughter left this world unexpectedly and much too soon on December 12, 2013. She was born on June 10, 1978 to Paul Kemp and Lynn Morrison and instantly became the light of our lives. As a vibrant, kind, loving woman with a passion for her family, horses, dogs, and cats, her zest for life was best expressed while she helped others

She found great joy in living and playing with her dogs, cats, and horses, and surfing the Pacific Ocean. She was a true animal lover and a great friend to many. But, the one special thing that made her spirit whole, is her long love and remarkable relationship with her mother.

Michelle graduated college with a degree as a pharmacy tech but soon discovered that her peace would be found in the eyes of her four legged friends. After a short stint in California she returned to her home in Utah and lived with her confidant and best friend, her mom, Lynn. Michelle was always helping people and animals and even in death helped others as a donor.

We will have a celebration of her life onThursday 12/19 from 6:00 , 9:00PMat Larkin Sunset Gardens, 1950 East 10600 South, Sandy, Utah. In lieu of flowers all donations to the family would be greatly appreciated and can be made at the American United Credit Union on or in behalf of Michelle Morrison 801-359-9600.
