Kim, you are going to be missed by your friends at CNS, I had so much in common with you and we talked for hours, I felt closer to you than my 8 sisters. Thank God they all gone. I still trying to come to the fact that you're

gone. This picture of you is how I will remember you. It's so true that the good die young, give our Heavenly Father a BIG hug and tell him i trying and that I love him. You are so lucky to have these earthly trials over with, it's time for you to move onto bigger and better things. You take my love for you, you've been such a great friend, and I'm dearly going to miss you and your friendship. Now, don't forget to give Our Father in Heaven a big hug for me. Bye, for now dear friend! P.S. will you remember to be there when it's time pass! Jim Pincock
