Oh how much we will miss this great lady! My aunt laurece was one of the most precious, kind wonderful people I've ever known just to be in her presence was fun, loving and amazing. She was always up for a card game or other games anything that involved family she loved ice cream and other kinds of desserts always there is always a place at the table for guests! She was truly happy and content with doing whatever she could to make other people OK. I know that she's up in heaven with all her relatives and family that are up there and just having the time of her life her and uncle Keith are together again and that's really what she wanted, I love to you all you're the best love Shirlene and Greg

What a beautiful tribute written about your sweet Mom. The legacy of happiness, laughter and fun in your family. Reading about her love for ice cream brought back a memory, many years ago. One time Loraine was talking about her with fondness and love, saying now she, (her mom) likes to put a scoop of ice cream in her rice Krispies for breakfast. Cute. I bet they are enjoying heaven together. May God bless you Judy, Kim, and Mark. ❤■

Sad when I heard that Laurece is not here with us although I know from time to time, sons and daughters and grandchildren will feel her presence and this will bring great comfort to those who mourn her passing. I know that Laurece is having the time of her life and this will continue - think of it, one great moment of happiness after another. You are missed, Laurece, but we feel blessed by knowing of your great joy you are experiencing now.

I am so sorry about the loss of your mom! What a beautiful obituary and tribute to her. She was such a kind and loving friend to my mother. Cousins, yes, but mostly friends. I know the reunion of your mom and dad was amazing!! All my love to you all ❤■■ Maryann

What a wonderful Aunt you are, you always made time for me and my family. And I will miss you a lot. When Kaleb was just a little guy he also wanted to give you hugs. And you always told him. There is nothing better than a Kaleb hug. You raise a wonderful, beautiful, and fun family. We had some great times together as family. We love you and your family. See ya later alligator. Give grandma big hugs from me.
