

Bonnie Jean Ward

April 10, 1931 ~ January 7, 2022

It's cousin Ben. I needed to let you all know that while I've not seen or visited with you for a while, it has changed nothing of the fact that I love you and hope you are well. Sending my best regards and appreciation for all of you. Family forever!

- Benjamin

Miki, Janae, Tracy & Yvette (spouses and family) A note to tell you how much we love and appreciate your mother, Konnie and my sister and an aunt to all of our children and great aunt too.. Your mother has always gone the second and third mile to extend love and support to each of us. She never failed to ask about each of our family by name. Right up to her days of body failure she wanted to know how she could help, especially in helping our now, single children. (Hope you are laughing at this, we are.) We extend our love and well appreciate the additional challenge of Covid in the desire to do honor to this great lady. Know we love each of you. Thank you for always being there for us too. Love you Konnie, Samuel (Betty) and each of your family...

Miki, Janae, Tracy and Yvette, Ohhh, What a sweet lady my aunt Bonnie. I knew whenever we were able to visit there would be a cute doggie, a joke about poop, and endless hugs! I have such fond memories of camping trips, visits to Disneyland and special times together. Our hearts and thoughts are with you this day as she is remembered and missed so much! Love Chery and Ralph Curtis

So sorry I couldn't make it to the celebration of Aunt Bonnie. Miki, Janae, Tracy and Yvette I love you all. Aunt Bonnie will always have a special place in my heart as all of you do. Wish I could be there, but since I couldn't give each other a hug from me.
