So many happy memories at Aunt Bonnie’s house! Playing in the greenhouses with Pam and Lori. Running through the yard and listening to my mom, Aunt Joan and Aunt Bonnie chatting and giggling. So grateful they are all together again! Lots of love and comfort to all of you.

Dear Olsen Family I am very sorry for your loss. Bonnie was an elect lady. You’re right, never did I leave your home hungry. Bonnie was a dear friend to my mother. She gave my mom comfort and peace. She was part of the walking group my mom enjoyed so much. Your mother was a class act and kind to my family. Respectfully and Sincerely, Neil & Elizabeth Mock

We loved Bonnie while living in Holladay and then when moving to Sandy. She was always so kind and thoughtful. We can still hear her fun laugh and see her happy smile. Such a sweet lady. Dave snd Joan Engh

We loved Bonnie and your family from the day we moved in. Enjoyed the floral and we’re sorry to see it close. More recently we feel honored to have been able to be her ministers. She was always so gracious and kind. We are wishing you comfort and peace to face the days ahead without her, knowing she is close to you and wishing you loving memories to hold in your heart forever.
