Jaylene, I'm so sorry for your loss. I was so saddened to hear this. I will always remember Kris as a great co-worker and an even better friend (even if he did drag me to the Joker with him (and Billl) all the time. Focus on the good times and you will get through this. Lori K

Jay- my heart is saddened by the news of Kris's passing .... Hard to believe that it was 51 years ago that I met Kris at work ... From day one he was welcoming to the hayseed from Idaho ... Those early years in Utah carry many fond memories and Kris was front and center with that big smile of his. You two were quite a team. He will be missed

Jay, we were so shocked and saddened to hear the passing of Kris. We had so much fun with you guys over the years, including the BVI’s, Telluride and Jackson Hole. You turned us on to David Grey, Leonard Cohen, horrible bug bite and a bottomless vegetable plate, including an early breakfast wake-up call. Kris was wonderful to work with, I never had to worry about anything under his watch. Kris will always be with us. Love, Hank & Koula
