

Kyle J Westover Sr

March 20, 1942 ~ November 16, 2021

Brother Westover's gifts were many. His voice was uniquely his and was that of a nobleman. He taught with each of us waiting for each thought; never haughty or know-it-all, but delivered with humility-with-a-flair and deep knowledge. His love of family & kindness to others was well known. A rare talented man of greatness. He will be greatly missed by all who knew him. I can imagine him in the sweet embrace of his sweetheart. You'll not be forgotten. To Debbie, Matt, Kris & Michaela my heart weeps openly for you... I'm so so very sorry. My heart & prayers are with you all.
