Dear, dear Tyson, my heart is broken for you and your family. Losing Landon is truly unimaginable. Perhaps we could meet sometime so I can hug you and share some feelings. Sadly, I'm out of town this weekend, but I will be around after. Please message me when you have energy and time. In the meantime I'm sending oceans of love. Heather is too.

I was a crossing guard for Jackson and Landon when he was in kindergarten and first grade! I remember how happy Landon always and I mean ALWAYS was! Your boys were inseparable! They were the perfect pair! of boys. Both of them had the best manners! I am so sad for your loss! My prayers are with you as you experience all of these tough emotions!

I knew Landon while working at Sunset Ridge Middle. Last fall we started talking about Christmas. I told him that I had no idea what to buy my grandsons for Christmas. He suggested that I buy Rubic cubes for them. The gifts were a big hit. He was one of the favorites of the staff and he will be greatly missed.

I will miss yhe new adventures of Landon stories. He will be a legend, warrior. And HERO to me! We were blessed to know the leprechaun baby who gave us all love. May we all live with the rest of our lives with his spirit

I knew Landon a few years ago when he was in Erin Worlands Musical theater class, I was a few years older than him but he quickly became my best friend in the class, He had such a bright spirit and constantly made me laugh, I still have the rainbow loom bracelet he gave me. I remember one time I was at Arctic Circle with a big group of kids after a school musical performance and Landon and his family just so happened to come into the restaurant at the same time, I was sitting by myself and he came over and talked with me for a while. He always made everyone feel special and it was always a pleasure to talk with him. Even though it has been a few years since i had seen him I hope his family knows that Landon was such a great kid and I am extremely happy to have known him for the short time that I did.

I didn’t know your son, but my cousin did. I’ve heard amazing things about him and how talented he was in everything he did. His obituary was beautiful, and I hope to remember to be nice to everyone on behalf of this beautiful soul. ❤■

I had only met Landon in 7th grade but he was the sweetest person ever. He always included everyone and made sure no one felt left out. Some days I would help walk Landon to his classes and when I had some classes with him

he always had a smile on his face that was so contagious. Watching him with his Rubiks cubes was so fun because he was so smart. He would always ask people to mix them up for him so he could solve them. Was was a shining start and he will be truly missed. Sending my love to the Crook family!

I am so sorry for your loss, I went to school with Landon and was actually in rhapsody with him. He had such a bright smile that followed him everywhere. He was so talented and kind. It just breaks my heart that I wont be able to make the funeral service but my heart is there with all of you during this difficult time. Sending you all strength and my love during this difficult time.

- Marlie Limb

I knew him a little before, but I really got the chance to know him better in my 7th grade theater class at Sunset Ridge Middle School. He was such a funny and kind guy. He cheered me up a few times when I had performance anxiety or when I was having a hard time. When I had no one to partner with in theater class he would always come up and ask me. He had a great voice and it was fun to do skits with him. I was always cheering for him as loud as possible when he performed for choir. I wish I got to tell him the impact he made in my life.

I went to school with Landon. While I didn't know him all that well, I know he was an AMAZING person. He cheered everyone up when nothing else could. He was spectacular at being just a good human being. I am going to miss him so much. I want to send my condolences to his family about this terrible loss. There will never be another Landon.

I feel so blessed to have lived next to Landon and his amazing family. It was a joy speaking with him and getting updates on what was going on in his life. It usually was about a fun adventure he had with his family or about his love of performing. I occasionally would hear him singing in his backyard. I loved it. My heart hurts for your loss Hollie and family. He will forever be missed and remembered.
