I know her patient’s enjoyed the wonderful way that she treated them during their difficult times having cancer. She is loved and missed by all who knew her I am sure. Rest in peace sweet Lark.

My sweet Lark, I don’t have the words and I not sure I ever will. You were and always will be a main foundation of my childhood and teenage years. Subs on Tuesdays, my nanas lake in the summer, getting ready for dances, and getting caught passing notes. Going to the mall and jp licks, nail painting to the best cd mixes and laughing until our stomachs hurt. I have so many photos of you and your smile just lighting up the entire frame everytime. I’ll forever keep cloud watching and wonder how exactly you ever enjoyed pizza with no cheese. Love you forever larkipoo ■

- Emily Edwards (Lawson)

Ever since I was a kid, you’ve been there. Not just for me, my entire family. My child, even. We love you so so much. The memories of you, Emily and the whole crew in my sisters bedroom will forever live free in my memories. You were so loved. Rest easy, Lark. ❤■
