So sorry to learn of the passing of Larry. We have such a deep respect for Larry and his quiet humble way of serving. He always went out of his way to say hello to us, and show such Christlike love to everyone he came in contact with. His example did not go unnoticed. It was a privilege to “rub” shoulders with Larry. We send our love and prayers for peace and comfort to Lynne and the entire family, at this very tender time.

Whittaker Family, I send my deepest sympathy to all of you at the passing of Larry. He was always so kind and loving to everyone. He was a great backyard neighbor who could often be found in the yard doing something fun! He will be missed by many. May you find peace at this difficult time through the knowledge of life after death and eternal families.

So sorry to hear of Larry's passing. Larry and I grew up in the same area of Glendale (not Rose Park). We attended the same LDS ward, the Cannon 5th and High School together. We were also in the same Army Reserve Unit and went to Armor Training at Fort Knox Kentucky together, what a great man. I am grateful to have known him.
