I was so sorry to hear about Brad. What a great man and gentleman. He is such a kind and helpful man and has made lasting impressions and influences on so many people. We are thinking about Jana and the kids and pray you receive the comfort you deserve.

I am so sorry for your loss. Brad was a wonderful kind man. I have interacted with him as Harman's auditor for over 10 years. Brad was crucial to our work and always did his job with a smile. I will cherish the times I was able to sit with Brad and hear about the his family and how proud he was of all his kids. He especially loved talking about his granddaughter. I feel I am a better person for having known and interacted with Brady. He will be missed. Sincerely, Trevor Peterson

Dear Jana, I have known Brad since I was a manager in Oakland for over 20 years. I appreciated how understanding, respectful, and caring He was. He was always the first one asking for anything to completed on time and done right. I know he was a loving husband and father because he spoke about you Jana lovingly when I asked about you. I am sad to see him gone and I wanted you to know he was so loved by so many in Harman’s. God Bless you and your family, Linda

I'm so sorry for your loss. Though we didn't 'hang out,' Brad and I attended Highland together. I always found him to be a pleasant, decent, kind human being -- and those are incredible attributes! It sounds like he continued that pattern through his years after high school. Brad didn't need to draw attention to himself, but his smile got people's attention anyway. Sending hope and comfort to all of his family members.
