Thank you for being part of my life. Too too many memories of when we were in high school and early marriage to mention.

My wife and I want to express our heartfelt sympathy and condolences to Terry and the entire family of Larry. While I only met him on one or two occasions I have certainly seen what his influence did with regard to his son Shane and daughter Monica and the grandchildren. There are no finer examples of what love and mentoring can produce than the family that he leaves behind. He instilled a work ethic and a moral compass that has and will continue to make them his living legacy. Our love and admiration to all the family God Bless and comfort you. Jon & Rhonda Nagle
