Siempre estará en nuestros corazones tía. Sin duda alguna está descansando en paz. Fue un honor haber apoyado con su cuido los últimos días. Abrazos a la familia y especialmente a su alma en el cielo. ■■■■

I am so grateful for Laura, she was my first friend in this family. She always made me feel welcome and loved as she filled me in on all the family happenings. She was very patient with my attempts at Spanish and helped me many times to get it right. She certainly raised some beautiful and brilliant children who never cease to amaze me

with all of their accomplishments. We love her and all of you and will miss her greatly at all the family gatherings.

- Deena Christopherson

Our deepest sympathy for your loss. I will always remember my friend ■■
