

Laura Louise Glissmeyer

~

I remember Laura from my fourth grade class at Bonneville Elementary. She was a little bit shy back then but I can tell from her touching obituary how much she accomplished in her short life. My heart is saddened with her passing and leaving behind her sweet little girl and her husband whom I'm sure she loves so much. We can be so grateful to know that life on this earth is but a small moment and then if we endure it well, God will exalt us on high. I'm sure that Laura is happy and and rejoicing in a life well lived and that she will be looking down upon her loving little family .

Jenni and Dave - We have followed Laura's cancer journey through your family and have been amazed at her courage and the courage of your entire family. Please know we are thinking of you at this very tender time. What a beautiful daughter, mother, wife that Laura was during her time on earth. We will be thinking of you during this time of mourning and grieving her loss. Love - JoAnne and Jerry Anderson

Grandma Romney wanted to share the following thoughts: I as her grandmother thought Laura was a beautiful, wonderful, kind and loving person. She was a solid member of the Church of Jesus Christ of Latter-Day Saints. She was just as sweet as I have ever known in a young woman her age. Bryce was so supportive and he's a wonderful man and I know this is hard for him. He has been such a devoted husband over the years, and I pray that he'll be blessed through this time. Lula is such a precious little girl, very sweet like her mother. She may not understand what's happening now, but over the years she will learn to appreciate and understand where her mother has gone and how much her mother and father love her. I'm so sorry to see Laura go this soon but I know she has a lot of support and a lot of people who love her, her mother and father so dearly, just wonderful people who will help her

as much as they possibly can. God bless Laura and her family through this trying time.

The loss of Laura, so loved and so young, is beyond our human ability to comprehend. It is only faith that gives those who loved her the ability to eventually reach peace and acceptance. Our deepest sorrow for your loss and grief.

We will miss Laura's beautiful smile and contagious laugh. We had her in our home many times through the high school years and even after when this wonderful group of friends would gather together on occasion with our daughter Julie when she was in town. What a pleasure to know her and what comfort to know that we will see her again. Sending our love, sympathy and prayers to the Blackner and Glissmeyer families at this difficult time.
