The night that I met you it was immediately apparent that you were something special! You literally lit up the room! The joy you brought to everyone around you, with your sparkling smile & personality. Such an amazing soul! I wish I could've spent more time with you before leaving us! But, the memories I do have are forever etched in my mind, heart & soul! Forever missed Lars!

Sending love to everyone affected by Laurie's passing. She was a bright light in my life for many years. I am not sure I would have made it through those later teen years without her. She will be missed.
