Brad was the most capable and well-rounded Safety Director that I worked with during my 35+ year career. He was exceptionally competent, responsible and demonstrated unusually good character. I have followed his challenges and celebrated his achievements with cancer. He truly is a hero in my opinion! He will be missed by many and I am one of them. He is my friend!

- Robert Gardner

I was so sorry to hear of Brad's passing after such a valiant battle with cancer. My husband Al and I send you and your family heartfelt condolences during this time and loss. I got to know Brad much closer during our 2 week trip to Singapore and China. We sure had some interesting experiences. As you know better than me, he was firm in his faith and his love for your family and held to his principles which is what I respected about him most. Prayers for you and your family from Al and Alexi Carli

My thoughts and prayers are with you and the family. Brad is an awesome partner as we worked together in the Health and Safety field. I remember one of our first encounters, he shared his past serving as a strength and conditioning coach. He provided me guidance that aided me in navigating my work out routine. That lead to 100 lbs. weight loss . We spoke a lot about family, faith and strength. Our last conversation will always be remembered... "spend the time with your family...I mean that". Brad was a Titian in the health and safety field, he got it. He understood how to coach and lead. He had a way with people and was able to motivate regardless of the circumstances. I will celebrate his life and pray these words bring comfort to the family!

It's hard to capture the entirety of Brad's impact on my life, personally and professionally. Not only did Brad teach me so much about the world of safety, but he constantly emulated how to focus on what matters and to do so with integrity, passion, and enthusiasm. Was so sorry to hear about Brad. He was a great person. I remember spending time together as youth in the 10th Ward. He was an awesome artist. Vicki and I have 2 of his watercolors and have enjoyed them through the years. They at one point were given to my parents from Brad and we were lucky enough to acquire them. I wish all his family the very best life has to offer. This is a great loss. I am sure he had some rough times. Definitely a bitter/sweet situation. May the Lord bless you all.
