I worked Leanna at SPS. I loved her smile. She always brought happiness to the office. She will be missed by many.

Leanna, I’m sad you are gone but so happy you are out of pain and reunited with Dee. Kim, Brian, Sherrie, Danielle, Jessica, Cody, David and Brad. We loved your mom and sister so much and so glad we got to grow up together in the same neighborhood. Your mom has always been beautiful inside and out, kind and wise. Love Rosanne

I feel horrible that I was not there... Got my dates mixed up..Dee and Leanna were the best of the best. We had great time at Bear Lake and Lake Powell together. My family will have those memories for ever.. I spoke with Leanna about a week before she passed she never complained, and I saw Dee at The Philadelphia every time I went in there for lunch...They will be missed.. At least that are finally together again and out of pain. Rest in Peace Dee and Leanna.. Love the Wetzel's till we meet again.
