To know Brandon was a memorable experience. You felt his youthful spirit & innocence surround you. He was determined to know the world around him. He was easy to love with his big blue eyes & look of curiosity. Our family will be forever grateful for the example of his parents, Ron & Jackie & his siblings, Emily & Michael, for teaching us unconditional love, compassion, honor, kindness & resilience in raising & adoring this beloved son & brother. We love you Liljenquist family. Our deepest sympathies in the loss of your beautiful boy.

Brandon was such a great impact in my life. Working with him taught me so much patience and understanding. I am beyond blessed to have shared moments with my favorite buddy. I will never forget our summer Saturdays. Van rides in the beautiful Utah canyons and picnics. My heart is heavy with grief. Our condolences to the Liljenquist family.

I'm so sorry to hear of the loss of your beautiful son Brandon. I had the privilege of taking care of him at Jordan Valley!! He was quite the character, who loved food! I still think of him often. There are still some tell tale signs that Brandon was at that school. He was so talk he would jump and hit the exit sign at the south end, well its still crooked to this day. I look at that sign and have to laugh. He will be missed. I loved your son!!! With heartfelt sadness I send my sincere condolances!! Thank you for sharing the life of your son!! Gloria veenendaal
