Dear Brenda and family, I'm so sorry for your lost Brenda. I have thought of you often. Thinking how Carvel was doing., and so sad to hear of his passing. Please know my thoughts and prayers are with you at this very difficult time!

We are so sorry for your loss Brenda and family. Carvel had a very sweet spirit and was a great friend to our family. We are glad he is no longer suffering but we send our love and hugs to those left behind. Lots of love! The Radcliff family.

I am so sad that he is gone from us. He was the nicest most caring man I know. I loved sitting and talking to him when we were together. You could tell he genuinely listened and cared. I wish I would have got more time with him. You will be missed greatly Carvel. Aunt Brenda and family, I am so sorry for your loss. I love you all.

I took care of the grounds at St. Joseph’s, where I first met Carvel, and later at Copper Ridge where he retired from. Carvel was a great guy. He was the type of person you liked right away. Big and strong but his smile gave away who he really was. A kind, gentle giant. My condolences to the family. He was a treasure!
