Dear Grandma, I am deeply saddened by the loss of my beloved grandmother. She gave me so much love and accepted me as part of her family. Thank you for your support and kindness during my great lifetime in Salt Lake. With gratitude and sympathy, Masato Goto

My goodness, what a wonderful woman!! I watched her go through so much with the death of her daughter Michelle who was a wonderful friend to me. And then, I saw her take in 7 children 6 of which were wild, crazy and loveable boys and one sweet daughter missing her mom during pivotal times. She is a woman to be loved and admired... Be happy with loved ones beyond the veil sweet Leola. You ha e definitely earned a place at The Saviour's table. Please give my love to my friend Michelle... ❤■■■, Karen
