Liam has touched lives in ways that will remain unknown for the present! He certainly has been a gift from God to teach all who had the chance to know/watch him interact with his beautiful family. Thank you for the wonderful example of Christlike charity shown by his sweet family. Thank you for the video celebration of Liam’s life. May your family receive special blessings and comfort at this time. You are a special family.

From the moment I held Liam when he was a newborn you knew there was something special about this precious spirit. He was heaven on this earth. His eyes showed so much care and love. A miracle on earth as I know he will be in heaven running laps around everyone while watching over his beautiful family. All our love to the purser family, how blessed you all are to be the amazing family you are! Keep the light and strength and I know, you know that you have one of Gods amazing angels looking over you.
