Dear Richard, Sending my deep felt sympathy to you at this time of your loss of your beloved Linda. Sharron and my thoughts and prayers are with you in this difficult time. May our Father in Heaven watch over you and your family. With brotherly love, Alan

Dear Richard and Family, Oh, how we loved Linda! From the day we met her in New Zealand, she has been the big sister we always wanted. She cared (Kjar-ed) about each one of us kids, as well as our dear parents who also cherished her. She was truly beautiful inside and out! Her acronyms and insights will live on. Although she gave up much, she could still wrinkle the side of her nose in her cute way. We know she has done her victory lap and that her welcome home crowd awaited her victory. Let's all keep her memory "rolling merrily along" in her typical GRATEFUL way. Love and prayers to all of you.

Dear Richard and all of my 100-Watt cousins, Aunt Linda was always such a stellar example to me of positivity, love, faithfulness, and endurance. My love and prayers are with you at this difficult time. Missing you all, Rebecca
