

Brent Joseph Schenk

September 30, 1947 ~ November 5, 2023

My thoughts and prayers are with you.

- Diana Thompson

We are so sorry for your loss. Our lives were blessed knowing Brent. He will be missed.

- The Bair family

Brent Schenk was a great friend and mentor as we grew up together in the St. Louis 3rd Ward and during our years at Nipher Junior High School and Kirkwood High School . We shared many Scouting experiences , trips to Steak N Shake for a burger and were roommates at BYU following our respective missions. He was always a positive example with an infectious laugh and smile . I can truly say I am a better person for having known Brent Schenk . Brent will be missed but his so many positive memories from our friendship will continue to live on forever.

Dear Julie and Family: You all are, of course, in my thoughts and prayers. Please know how much I respected and appreciated Brent. He was a uniformly tender and compassionate man , precious traits sadly lacking in most of us in today's world. And although I never spoke of it, on several critical moments in the darkest time of my life when our paths crossed at family meetings, he always took the time — without judgment or choosing sides —- to assure me that I hadn't failed, that God unconditionally loved me, and that, in his words, "things would work out well in the end." That support meant the world to me. May his sweet spirit be with you and your beautiful family constantly until

you are reunited forever. Love, Brian

Lovely picture. The service was really a feel good hour in what I imagine was a tough week. Your family is awesome! l love that Brent was best friend to each of your children, as tough as it makes this passing. What a terrific legacy he has left. Loved the pictorial montage. Edith said that day at lunch, “Wow! They had a lot of family vacations!” So much love to you all.
