

Linda Egbert

March 8, 1957 ~ July 30, 2023

Linda was such a bright and lovely person. We worked together and I remember even when everyone else down in a meeting she had a way of speaking that could turn it around. I will miss that smile.

Linda was one of my roommates at BYU for two years. We had great fun together. I loved her contagious laugh. Linda was always up for an adventure. She was one of my favorite roommates. She introduced me to the Iceberg and all their yummy shakes, everytime I visit Utah I go to the Iceberg and share with my family how Linda took me there first. She touched my life. I'm so sorry for your loss. I believe Linda is scurrying around heaven helping everyone. She was an angel on earth .

I am just finding out about Linda's passing. She was my nurse manager on cIcu at LDS. And she became my friend. I will hold her in love.

I just happened to see Linda listed among the deaths in BYU magazine. I havent seen Linda in almost 50 years, but still remember her enthusiasm, joyful attitude, and her kindness from our nursing school days. I know she was devoted to caring for others. I’ll remember her as I work with hospice families and look forward to the day we meet again in heaven. Praying for comfort for Linda’s loved ones.
