What a blessing it has been for me to know Linda for almost five years! We've spent time together worshipping in the temple, going on walks through the park, eating out at restaurants, sitting together in Relief Society, and chatting in her home. Her physical challenges since her stroke were great! The most difficult thing for her was not being able to communicate everything that was on her mind. Through all of her trials I still felt her love for me and my family and her faith in Jesus Christ. I was so impressed with Gordon's 100% commitment to the care of his wife. Through everything Gordon has been true and faithful to his covenants with God and his eternal companion. I pray that Gordon and all others who have known Linda will be blessed with peace and a deeper understanding of God's plan of happiness for His children.
