Dear Jackie, Natalie and Nicole I don't know if you remember me but I remember you well Brent was so good to my father and stood by his side literally for many faithful years My heart is reaching out to you with love and gratitude for all you and Brent did for the Capel family May God give you peace and comfort I'm so grateful to have had the opportunity to know your family over the many years With great love Celeste Capel

Dear Jackie and family, I am so sorry to hear about Brent's passing, both Rich and I really loved both of you. Rich really enjoyed the visits he had whether in the street, in your home or our home. We especially appreciated when Brent would come and visit with Rich when Rich was so ill, it really cheered both of us up. My love and prayers are with all of you at this tender, emotional time. The sorrow we feel is equal to the love we have for him. Missing him until we meet again.
