

Brent Richards Payne, M.D.

July 7, 1947 ~ September 7, 2021

Ginny, Lois and I are heartbroken to hear about Brent. We both loved working with him and I particularly because he was our physician director on the ambulance for so long. You and all of the family are in our prayers. Take care of yourself. Craig

Brent was one of the kindest and warm people I ever met. I shall never forget his..."aw, Brent" every time he mishit a golf shot. He will be dearly missed by all the golf buds. Be well my friend.

Dear Payne Family, A classmate sent me Brent's obituary. Joe and I are very sad about his passing. He was a remarkable person. His reputation as a physician is first rate as is his character. We are so sorry Ginny and Family. Joe and Jeanne Cannon

Ginny, I just found out of the passing of Brent, I am so sorry to hear this. How are you doing? I wanted to stop in Salt Lake to go to coffee but time was a factor. I did call one of the numbers I had but they did not know who Brent was so that didn't work out. You and Brent were of great help to me for many years. I would love to chat with you, so please email me so we can do that. Warren & Sharon

Mrs Payne and family: I am saddened to hear of the loss of your loved one. Dr. Payne was my physician from the time he opened practice in Burley until he departed to fulfill his dream in emergency medicine. I remember Dr. Payne having a kind compassionate caring nature who had an unremarkable bedside manner. May God Bless you

all in this time of sorrow and may his fond memories live on in your hearts. Nurse Barb Twin Falls, Idaho

I have been looking for Brent for many years!!!! I first got to know him in the ward of my grandparents in Logan, Utah! Henry and Olga Herzog! Then I was called to serve in Italy as a missionary for The Church of Jesus Christ of Latter Day Saints! Later he was called to the same mission!!!! We even got to be companions in the city of PADOVA!!!! I loved being his companion! SO MANY WONDERFUL MEMORIES!!! A couple of years ago, I returned to Rome, Italy for the dedication of the Rome Temple! There were several fabulous families from the southern city of Taranto, Italy that were taught and baptized by Brent!!! They said if you ever find Brent, please thank him for his love and patience in working with our families! They have over 65 descendants that can trace their love of the gospel directly to Brent!!!! I loved him so much!!! I live in Clearfield! I'd love to meet his family!!! If anyone sees this after so many years, call me!! 801-889-0929. I'd love to tell you interesting stories of his life!!!!
