

Linda Nebeker Erickson

March 4, 1963 ~ September 9, 2024

Our thoughts and prayers are with the Erickson family. Linda was a remarkable person and we are thankful our paths crossed. She and family have been an inspiration for us. Best wishes to Leif and family.

Consider this a virtual hug to each of you from the Cannon's! Lance and I are forever grateful for Linda's open arms and the love shown to us when we first moved to Massachusetts. She took us under her wing when we needed it the most… one of her many Christ-like attributes! Linda touched and taught so many and our cherished memories with her will not be forgotten.

Lief, So So Sad to see the best Angels leave this life earlier than expected. Linda was definitely one of the best. Always a true friend, kind and infectiously positive. She will be missed. My best to you and your family as well as the many Nebekers. My prayers are with you.

Linda was such a beautiful person, inside and out. She was also a great sister-in-law, good friend,and confidant. She had such a beautiful spirit and caring about her. I know Leif and her family will miss her deeply.u I hope they can focus on the wonderful times of love, laughter and caring she created for all. She will be deeply missed by all whose lives she touched. She was a true blessing in our lives. We love you Linda!

President Erickson, Sometimes life just isn't fair! Eleven years ago shortly after I had been transferred to Lilongwe you and Sister Erickson began your service in the Zambia Lusaka Mission. From the first phone call and the first

face to face meeting I could feel of Heavenly Father's love. I will forever remember two phone calls that I got from Sister Erickson. Both of them were towards the end of my mission, one was filled with hard news and so much love, and the other came shortly after I had prayed to feel Heavenly Fathers love. Sister Erickson was so full of love for everyone and I truly felt that. Kelsey Webster

So sorry for your loss.

Dear President Erikson, I am sorry to hear about the passing of your wife. I know somewhat it'is like when you loose the love of your life. I heard about it when I was at General Conference, when I stayed with Joe and Silvia Martel and their daughter and her husband, Melissa and Shawn. i saw you at their wedding reception 3 years ago. That was the last time I was in Utah. You had very good judgement when you called my husband John to be the Branch President of the Cape Cod Branch... But it was down hill from there, when President Ward became the next Stake President. Did you know that we recently combined the Brewster Branch and the Cape Cod Branch? They have been good sports and devoted to drive an extra hour to get to our Church. It really has made a difference to have more members. It will be a while before you can adjust to everything being new and different, but in time, it is my belief, that you have to make yourself happy. Most sincerely, Tonda Lamb

Sadly, the news of Linda’s death has just reached us here in Norwell. Linda was an amazing special woman. She was the kind of person that you hope you will meet in your life. So sooty for your loss and may God bless you all.
