Uncle Brent, Thank you for the wonderful example you have been to me throughout my life. I so loved visiting your home when my family would come to Utah for vacations and when I could sneak away from BYU for weekend visits. I am forever changed by your warmth, hospitality, stories, meals, and overall zest for life. I credit you for my lifelong love of Christmas decorating, Broadway Musicals, amazing shows like "Auntie Mame" with larger than life characters, and getting me to finally read Harry Potter. I also remember your laughter when I was hooked and I couldn't put those books down. Your love and unfailing devotion to Aunt Nedra is a "North Star" example for all boys and men to study and follow. Thank you for lighting the way. Thank you for truly making your corner of the world a better place and inspiring the rest of us to be a little kinder and to live a little better and to always "Dream the Impossible Dream." I love you and miss you terribly. Dale Christensen (Nephew)
