

Lisa Dawn Kildoo

June 12, 1960 ~ November 4, 2025

I was so saddened to hear that you had passed away. We had some fun times together, our trips to come see you, our camping trip(where it poured rain the whole time) You were a wonderful friend and I missed you when you moved to Utah. It's been awhile since I had seen you, but at least we kept up on Facebook. Doug and Kids, please accept my condolences, its never easy to lose loved one. Prayers of comfort are with you all at this sad time.

From her over-the-top artistic talent during SkiFest and VBS, her love of sports and the great outdoors, or the smile that appeared on her face when she talked about her family, Lisa has always been a bright light and encouraging force in this world. She is loved deeply and will be greatly missed. Heartfelt love and hugs to all of you!

Daisy, the first thing I thought of in seeing this picture of your mom, is that you have the same beautiful smile that she does. My heart goes out to you and your family; this is one of life's hardest things to go through. From what was said about her, and how radiant she is in this picture, it really shines through as to what a lovely person she was. My condolences to you your entire family.
