- Victor contreras

I had the honor of serving as counselor to President Moss, a great man, always a worthy servant of the Lord. I know without a doubt that he has received his just reward from our Heavenly Father

- José Luis Arias

My condolences to the Moss family and everyone he leave behind. I will always remember Brian as our Teachers leader and Scout leader when we lived in Potomac Maryland in 76-77. He was such a fun and outgoing man, I remember Him taking us all skiing to some resort I can’t remember now in Pennsylvania and how much fun he made it. Coming from Utah he said these hills don’t compare to the resorts out west. The last time we saw him was when our family moved back to Salt lake in 1977 and we ran into him in a McDonalds in Pennsylvania once again. I always wondered what happened to him over the years and am saddened to see his struggles with Parkinson’s at the end of his life. I will always have fond memories of how alive and fun he was. Of course he was only 32 and I was 14. It’s just crazy how fast life goes and you need to embrace everyday and love your family.

- Jeffrey Larsen

He was a great and fun man, I had the honor to serve my mission under his administration and I have nothing but fond memories of him. Rest in peace president Moss, and my condolences to his beautiful family.

- José Cano

Pres. Moss was a great man and a great mission president. I'll forever remember bowling with him one P-Day. He'll be sorely missed.

- Gary Dawkins

Carol, I am so sorry to hear about Brain. My husband Doug told me had seen you both up at the Parkinson's PT gym. We are fighting our battle with this disease too. I remember Brain being so good with Brennen and his friends (my son Jeff). Brennan saw us at some youth football games and he was so friendly. He reminded me of his dad. My prayers and warm hugs are with you. I hope you can feel comfort like a warm blanket. I am so glad our lives touched.

- Lois Horne

He was my mission president. The best advice he gave me was to try it without being afraid or embarrassed. That advice continues to guide me to this day. Thank you President Moss

- Daniel Gomar Rojano

My deepest condolences to the Moss family. He was my mission president in Tampico and he gave one of the wisest advice I ever had. I'm thankful for the time being under his guidance. May his family find solace in the love of our Heavenly Father.

President Moss was a stellar man who served his Savior until the very end. While in Tampico, he served with a smile and showed all of his missionaries how to perserverar hasta el fin. Take care, President. Te amamos!

Dear Moss Family, It is with great sadness that I read of the passing of Brian. He was always a bright ray of sunshine. My sister, Alison Hardy Decker, and I had the privilege of enjoying our high school years with Brian in the Chevy Chase Ward. The Hardy family had great admiration for his outstanding parents. My mother, Maren Eccles Hardy, worked in Senator Wallace F. Bennett's office at the time. I enjoyed being a cheerleader for Brian's basketball team. The youth in the the Chevy Chase ward had a 2nd father in Alan Moorehead who also loved Brian very much. I loved reading about Brian's exceptional life -- full of accomplishments, family, and service in the Church. With deepest sympathy, Maren Hardy Hale, Provo

Dearest Sister Moss, Please accept my deepest condolences on the irreplaceable loss of President Moss. I had the privilege of knowing and serving under President Moss during my mission in Mexico-Tampico from 2006 to 2007. During that time, he was an extraordinary example of love, service, and dedication to the Gospel. His wise leadership, genuine kindness, and deep faith always inspired me to be a better missionary and a better disciple of Jesus Christ. I am sure that his positive impact extended far beyond me. I know that he touched the lives of many young missionaries whom he served with such love and dedication. His example will continue to be a guide and an inspiration to all of us. I have full conviction that President Moss is now in a better place, with the Lord. May this certainty bring you comfort and strength during this time. May God bless you and your entire family, and grant you the peace and comfort that only He can give. With much love and prayers, Julio Celón
