We are sorry for your lose. You have been such great ministers to Lynnette and I . We don't always understand why things happen the way they do, but we know that Heavenly Father has a plan. We just have to trust in Him. Thank goodness for the sealing Powers of the Priesthood. That comfort will help us all get through this life. Cheryl, I am at a loss as to what to say. As soon as one of the girls found out, we all knew within minutes (myself, Sara, Anna, Kylie & Maria). I am so grateful you had such a wonderful husband and family together, as so many never have the same kind of special, close relationship. Yet I can only imagine the heartbreak you are experiencing from this loss. We feel helpless not being able to take away your pain. Please know we love you, the girls all remember you fondly from our time in the Butler Ward. We recently moved back and are here if you need anything at a moments notice. You're in our deepest thoughts and prayers. Love, Jen

- Jennifer Marrs (Campbell)

Cheryl, Brian's gift to me is helping me to be a better man. His lesson he taught in Elders Quorum, and the conversations before we started really showed me that he cared about me. That was especially helpful to me when I didn't feel as close to God as I wanted to be. He just had a way of showing me that it was ok to be not perfect and thats I could be liked for who I really am. He also made me laugh sometimes because he would just have such a funny energy in class. I also knew how amazing of a Dad he is because the looks on his face as he picked them up made me wish that my Dad would have done that for me. I just wanted you to know he was loved by me and I hope that I could be just as good of a Dad as he is. He's not forgotten by me or my family and his mark is permanent to me in my life. If you need a lawn mowed, a hug, a pizza, or my wife and I to help you with anything, we are here and love you and your family.

To the Thomas Family, As an uncle on Brians mothers side and one who lived in Nevada I always looked forward to the Family Christmas and summer parties. Catching up with all the family. I particularly enjoyed taking to Brian about bikes and the new upgrades and what is good and what is coming up soon. I am sorry for your loss and pray the spirit of comfort will surround your family and be in your hearts. We will all see Brian again and look forward to that day

Dear Cheryl, I was so sad when I heard about Brian. You were the best backyard neighbors... always so friendly and supportive. Brian was such an awesome guy. He adores you! That was so evident in all he did and even just the way he looked at you. I hope that you find strength and some comfort as you move forward. Remember that you are loved...by so many!

Dear Thomas family, I am so sorry to hear about this early passing of Brian. I can't imagine how hard it is to have lost not just one, but two children so young. That must be so difficult. I just want you to know that we are thinking about you, and have been praying for you. Our family (the Bown family) has been saddened by this tragic event. It's funny how all the Lake Powell memories suddenly come back to the forefront. We love your family and wanted you to know we are thinking of you and will continue to pray for you. Kim Bown Packer

My heart is breaking! What a tremendous loss and way too soon to leave this life. I'm so very sorry and praying for peace and comfort for his children, family, and friends. Brian, summer memories of you and your band of friends are among my very favorite high school experiences. It was a privilege to know the very kindest and best gentlemen. When I hear songs from Zooropa and Achtung Baby, I will think of you.

- Amy Bosworth

Dear Lynne, Cherry and family, I am so sorry for the news about Brian. My heart goes out to you and to his wife and kids. I have so many cherished childhood memories with Brian throughout the school years, scouting and sports activities. He was always such a fun and self-assured friend. He was a great person to be around and I am sure that continued throughout his adult years. My deepest condolences, Brinton

- Brinton Frisby

We were terribly saddened to hear of Brian Thomas's passing. Sister Porter and I were delighted to serve with him in the Venezuela Maracaibo Mission. He was an effective leader in the mission, a good example to all, loved dearly by his companions and the people of Venezuela. We are all better for having known him. Our hearts go out to his family. We know the Lord will bless and strengthen them.

- Arthur and Elaine Porter

Thomas Family- Words are not adequate for the sorrow that I feel for each one of you. My life has been richly blessed by knowing Brian. I can still see Amy and I sneaking into his room to borrow some Legos, riding in the boat in Lake Powell, listening to U2, playing night games, or sitting around the dinner table with your family and being teased. Knowing of a Savior and Eternal Families can help to lessen your sorrow and pain. Please know that there are many who mourn along with you and are praying for you to feel peace and God's love. Love, Rachael

- Rachael Kennington

He recordado tanto a Thomas, ese misionero maravilloso. Que dejó a sus familia para venir a Maracaibo Venezuela a predicar el evangelio de Jesucristo. Le estoy muy agradecida por haber llenado ni vida de la verdad de Cristo. Thanks you Thomas.

Thomas Family - I just heard the news yesterday about Brian and I'm so, so sorry for your loss. I had lost touch with Brian too many years ago for unknown and likely dumb reasons as our lives took different paths. I've been thinking

back fondly of the memories I have of Brian and hating that we'd lost touch. Playing basketball, listening to music, being in the same classes, senior trip in Lake Powell, and just hanging out. Life comes at us all too fast, and the time and years really do get away from us. We wonder where it went, we second guess the decisions we've made and the people we've allowed to drift in and out of our lives. I hate that Brian's gone and I hate that losses have to happen to remind us of the importance of the relationships we share with others. I pray that your family is comforted by the memories you shared with Brian and the joy that he experienced in life. May God keep you close in this time of sorrow.
