So sorry we could not attend the funeral, but my husband is requiring full time care at this time. which makes travel impossible. Barlow Family: I was sorry to hear about the passing of Lola. I was blessed to know her for many years here in Bluffdale 1st Ward. She was always cheerful and kind and made everyone feel loved. I was able to visit with her a few minutes at another funeral here in Bluffdale a year or so ago. We missed your family when you moved. May wonderful memories sustain you, and may you find comfort in knowing such a special person as Lola can never be forgotten and will be greatly missed!
